

REMARKS

Favorable reconsideration is respectfully requested in view of the foregoing amendments and following remarks.

Claim 26 has been amended so as to limit the claim to compound (1).

The rejection of claims 26, 28 and 29 under 35 USC 103 is thus deemed to be overcome, since the cited references fail to disclose or suggest compound (1).

In view of the foregoing, it is believed that the application is now in condition for allowance, and such allowance is solicited.

Accordingly, reconsideration and allowance is solicited.

Respectfully submitted,

Yuji ISHIHARA et al.
